

Cave Creek Unified School District

Cave Creek Unified School District (CCUSD) boasts a majority of the highest test scores in the area while maintaining one of the lowest tax rates in Maricopa County. With the highest percentage of National Board Certified teachers in Arizona, CCUSD has consistently performed at a high level while maintaining a conservative tax levy.

Support of a 2011 budget override will protect our community investment in quality schools by helping to retain quality teachers and support smaller class sizes that keep our students performing at a high level. LearnYES believes these two elements are key to maintaining strong schools and supporting property values in our community for years to come.
